SAVE THIS DATE! Saturday December 29, 2018 we will have 18 years celebrating the ONLY Vallejo Community Kwanzaa!

We celebrate NIA (Purpose) which falls on the fifth day. 'This day is a commitment to collectively building, developing and defending our national community, its culture and history in order to regain our historical initiative and greatness as a people'.

We will honor our Queen warriors this year, some of those being Lerecia Evans Davis, K. Patrice Williams JD, Liat Meitzenheimer & Izzy Drumgoole 'One People Tribe'. Women who put their feet to the ground and get things done for all in the community. A special tribute to Vallejo's Felton Pilate of Con Funk Shun & Sgt. Brenton Garrett VPD.

Our celebration... is very important to our community. It is a time when we come together to enjoy the enrichment of our African culture through stories, music and dance. We provide a quality event for Vallejo's community at the Naval & Historical Museum run by General Manager Mr. Jim Kern from 6-9p. Come out and support this educational & fun event!

What: Vallejo ONLY Community Kwanzaa
